

FOR SALE

August 2010

Two Multi-Skilift handle tows pre owned for \$13,500 each plus shipping - first come first served. Both lifts fully reconditioned and are in excellent condition. They come with a one year guarantee. Photos to the right are typical of these lifts.

These Multi-Skilift tows are 12.5 HP 460 volts, 3 phase with soft starts. The lifts use the latest SEW Euro drives (no belts) and are 100% galvanized. Lifts come with handles and new wire rope for lengths up to 1,000 ft. Use for tubing or skiing.

Price today for a new Multi-Skilift is \$33,000.

More photos can be found on our web site under "photo gallery".

Contact either Dale Walters, Mountain Wire Rope Service at 570-809-1010 or the above number for more info.

Best Regards, Sam Geise
